Pārongo aromatawai me te taumata paearu | Assessment information and grade criteria Assessment specifications:

Evidence for assessment must relate to leadership, may be a short term or long term, or repeated activity. It could be leading an individual or group, community, or project, and may include thought-leadership, leading an idea or kaupapa.

This skill standard may be assessed in a role where leadership is demonstrated, when appropriate situations arise, or in a training environment if simulated conditions are able to be provided that reflect the standards of a workplace and/or leadership context.

Evidence of assessment must reflect where applicable, any workplace policies and procedures such as standard operating procedures, safety procedures, equipment operating procedures, codes of practice, quality management practices and standards, procedures to comply with legislative and local body requirements.

Assessment materials should allow for learner, regional, cultural, or community contexts. For example, a learner may wish to be assessed in a context that includes te ao Māori perspectives such as mātauranga, and tikanga specific to them.

The task or activity used for assessment may relate to Te Tiriti o Waitangi. For guidance on Te Tiriti o Waitangi, please see programme guidance documents.

Definitions

Assessment materials refer to the assessment activities, judgement statements, learner evidence, model answers, and any other material that supports assessment to this standard.

Current Influences may refer to local and global trends that may impact an organisation economically, environmentally, socially, and culturally.

Evaluate refers to using a range of methodologies, tools, data analysis, potential outcomes.

An *organisation* can be an entity, commercial or other enterprise, not necessarily for profit, a community organisation, and can be a discretely managed business unit within a larger organisation.
